The question pool is located under the My Question Section and contains over 600 items to choose from. Typically you can use the FIND feature (CTRL+F) to search for keywords. Any text matching your search will be highlighted so that you can skim the page for a question that would potentially meet your needs. If you cannot find a question that meets your requirements please use the Request Additional Question box at the bottom of the page. Remember to click SAVE to save all your changes.

NOTE: If you require assistance with adding questions please send an email to <u>courseval@uark.edu</u>.
