VAC consists of 43 dedicated students who make up the VAC board. Because the VAC board functions similarly to a nonprofit organization's board of directors, board members learn valuable skills such as volunteer recruitment, program coordination, fundraising and leadership. Collectively, **VAC board members participate in more than 5120 hours of service each year with an economic impact of \$120,627.** VAC board members meet weekly and serve as program for VAC sponsored programs.
