

Evidence Document

for Higher Learning Commission Reaccreditation

Document Title: University of Arkansas Rome Center Website

Office of Origin: University of Arkansas Rome Center

Document Summary:

University of Arkansas students may study abroad at the University of Arkansas Rome Center. The city of Rome offers an endless source of learning opportunities for students from all over the world. Students are invited to view the city as a laboratory where they can examine historical Rome and review the evolution of an urban context over two thousand years of development.
